CLIENT ASSISTANCE MEMO

Critical Area Sign Installation Detail

- The Critical Area sign shall be posted at the outer boundary of the Critical Area buffer, unless otherwise specified in project approvals.
- If not specified in project approvals, one sign shall be posted per lot or posted every 50-feet, whichever distance is less and resulting in a greater number of signs.
- The signs shall be posted in prominent and visible locations, and at the closest distance to the proposed development.
- Signs may alternatively be attached to critical area fencing when fencing is required.

Client Assistance Memos are not intended to replace the Gig Harbor Municipal Code. Should you have any questions regarding this information please call the Planner of the Day at (253) 851-6170
